MERITOR THINKS PINK

Meritor® supports Breast Cancer Awareness around the globe

Throughout the US and Europe, pink was everywhere during Breast Cancer Awareness Month in October — on corporate websites, over the airwaves and during major sporting events. Many Meritor facilities held or participated in local events, raising much needed funds to support Breast Cancer Awareness, and hopefully one day, lead to a cure.

Locally, Meritor Parts Interpreter and enthusiastic motorcyclist Paul Gauci recently lead a Pink Ribbon Breast Cancer fundraising event that raised in excess of \$10,000.
